

TREE Celebrates 40 Years! September and Leu Gardens

On February 8, 1983, the Tampa Bay Reforestation and Environmental Effort, Inc. ("TREE", then known as the Tampa Reforestation and Environmental Effort, Inc.) was incorporated under Florida law. In order to recognize this major milestone, each month through 2023 we will recognize and share with you the organization's accomplishments.

Upon reviewing the 2022 TREE files closely, I noticed a donation entry in the Annual Yearbook for Harry P, Leu Gardens ([Leu Gardens](#)) in Orlando. This special edition gives a brief summary below of the donations that TREE made to the Gardens over the years that ended on September 24, 2022.

September 24th, 2022: Between August 4, 1987 and September 24, 2022, a total of 61 varieties of trees were donated by TREE to H.P. Leu Gardens in Orlando, Florida. The final 6 of the 61 varieties donated included Silver Maple, American Chestnut, Mexican Cedar, Mexican White Pine, Montezuma Pine and Japanese Black Pine.
